Thanks, Mark. Please also confirm whether the extension would also apply to the Public Notice.

From my inbox this AM: After careful consideration of your request by leadership, the Corps has determined that a 15-day time extension of the public comment period is appropriate to allow for completion of BLM's subsistence hearings to meet ANILCA requirements, subsequent stakeholder comments on the DSEIS, and to maintain forward progression of this project. Please provide comments by 29 August 2017. A formal letter signed by our Division Chief is forthcoming.
